V-LOCK LID

THE **LOCKABLE** CONCEALED LID

THE SAFEST CONCEALED ACCESS LID FOR SKIMMER BOXES

V-LOCK sets the new standard for safe & concealed access to skimmer boxes and pool equipment.

V-LOCK's unique locking system provides superior safety for pool owners, and simplifies Australian standards compliance for pool builders.

The flush-fitting lid is easy to install and blends into the pool surrounds for a flawless finish every time. With a range of models to choose from, V-LOCK is the perfect solution to suit tile, stone and timber deck finishes.

Manufactured using advanced engineering polymers, V-LOCK delivers superior strength, rigidity and weatherability **without the need for electrical bonding!**
