SPECK SUPER 90 SERIES

The Speck SUPER 90 Series is the all-round swimming pool and spa pump. With its great performance it is the ultimate choice for pools and spas with a wide range of applications including solar heating and use with automatic pool cleaners.

The Speck SUPER 90 Series features:

- a high resistance to corrosion and salt water
- maximum effectiveness at low power input
- the ultimate in reliability
- stability at high fluid temperatures up to 60°C
- no contact between motor and pump shaft with pool or spa water
- highest quality mechanical seal
- fan cooled - suitable for high ambient temperatures
- closed impeller
- stainless steel motor shaft
- easy to remove clear strainer lid
- every pump factory wet tested for quality control
- five year warranty

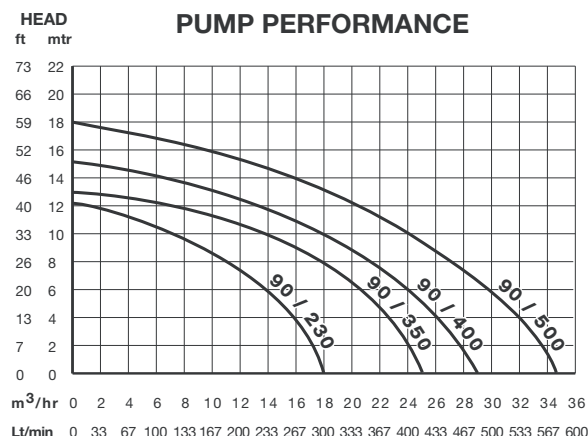

Warranty Conditions
